

As readers we will be...

- Beginning to recognise rhythm in spoken words.
- Learning to treat books with respect.
- Beginning to recognise our own name.

As writers we will be...

- Learning how to use circles, lines and dots to draw recognisable objects such as a person or an animal.
- Inventing our own drawings and adding detail to them.

As mathematicians we will be...

- Beginning to understand vocabulary like adding, add and more.
- Learning to touch each object when counting and given it a number name.
- Beginning to use flat 2D shape names.

As communicators we will be...

- Predicting what will happen next in our stories.
- Learning about prepositions such as; under, behind, on top.
- Beginning to experiment with different tenses.

Nursery – Summer 1

Animal Fun

"A hands on term learning all about animals and where they live"

As artists we will be...

- Describing the texture of different objects and materials
- Building stories around the toys we play with.
- Drawing closed shapes and making them into objects or people.

In Personal, Social and Emotional Development we are...

- Talking about our experiences with our friends.
- Continuing to share, take turns and include our friends.
- Talking about how our actions can hurt others.

In Physical Development we will be...

- Practising catching a large ball with both hands.
- Using our gross motor skills to draw lines and circles.
- Learning how to hold a pencil correctly.

As explorers we will be...

- Asking different questions about the world we live in.
- Talking about different things we observe such as plants and animals.
