

As geographers we will be...

- Comparing the geography of the UK and a non-EU country
- Finding out where key places in the UK are

As writers we will be...

- Writing stories with repetitive phrases
- Retelling traditional tales
- Recounting our own adventures

As mathematicians we will be...

- Counting
- Adding (within 100)
- Subtraction (within 100)
- Multiplication
- Time

Using our computing skills we will be Pop Stars.

- Sound recording and editing
- Importing into a document

As Spanish speakers we will learn...

- learning basic body parts

In PE we will be dancers, gymnasts and yogi...  
Flexibility, movement, balance and strength

# Year 1

Spring 2

## Our Learning Question

- Where would you choose to go on holiday?

As artists and designers we will be...

- Developing our drawing skills using line, tone, texture, observation and mixed surfaces

In RE we will be discovering... what Hinduism teaches us about good and evil.  
In PSHE we will be exploring... What makes a 'healthy me'

As explorers we will be...

## Homework:

Mathematics and writing homework is set on Wednesday to be returned the following Tuesday. Children are expected to read for 20 minutes and to practise maths facts and spellings daily.
