

As scientists we will ...

- Group living things
- Use classification keys
- Explore our local environment
- Identify appliances that run off electricity
- Construct a simple circuit
- Identify conductors and insulators

As writers we will be...

- Writing and performing a play based on a familiar story
- Using our persuasion techniques to create a presentation

As mathematicians we will be...

- Ordering, comparing and place value
- Rounding
- Adding and subtracting
- Multiplying and division
- Money
- Geometry/Time

Year 4

Autumn 2

Using our computing skills we will be news reporters...

- Filming and editing
- Adding text and image
- Publishing / blogging

As Spanish speakers we will be learning...

- Numbers 1 – 50
- Skip counting in 10s

In PE we are Dancers, Gymnasts and Yogi...

- Flexibility
- Movement
- Balance and strength

Our Learning Questions

- How can we tell the difference between living things?
- What do we need to create power?

As artists and designers we will be...

- Painting and modelling
- Using our graphic skills

In RE we will be discovering...
How those who believe build a relationship with God
In PSHE we will be exploring...
Celebrating difference

As explorers we will be...

Homework:

Mathematics and writing homework is set on Wednesday to be returned the following Tuesday. Children are expected to read for 20 minutes and to practise maths facts and spellings daily.
