

As Historians we will explore...

- Life as an Ancient Greek
- Overview of world history
- Using evidence to find out about the past
- Ancient Greek legacy

As writers we will be...

- Writing a biographical account of an Ancient Greek figure
- Basing our writing on an amazing author

As mathematicians we will be learning...

- Percentages
- Fractions, decimals and percentages
- Angles
- Shape

Using our computing skills we are time travellers...

- Film
- TV reports
- Research

## Year 5

Spring 2

As artists and designers we will be...

- Drawing using perspective
- Creating computer generated geometric patterns

As Spanish speakers we will be learning...

- What's for lunch and sentences with connectives

### Our Learning Question

- How did the Ancient Greeks live on and on and on...?

In RE we will be discovering...  
Why it is important to remember the past  
In PSHE we will be exploring...  
Healthy me

In PE we are Dancers, Gymnasts and Yogi.

- Flexibility
- Movement
- Balance
- Strength

### Homework:

Mathematics and writing homework is set on Wednesday to be returned the following Tuesday. Children are expected to read for 20 minutes and to practise maths facts and spellings daily.

As explorers we will be...

**Morningside  
Primary School**  
and Children's Centre  
Achieving and Aspiring Together
