

1. Summary information							
School	Morningside						
Academic Year	2019-20	Total PP budget	£257,400	Date of most recent PP Review	February 2019		
Total number of pupils	488	Number of pupils eligible for PP	195	Date for next internal review of this strategy	July 2019		
2. Current attainment							
			<i>Pupils eligible for PP (your school)</i>	<i>Pupils not eligible for PP (national average)</i>			
% achieving in reading, writing and maths			70%	65%			
% making progress in reading			84%	71%			
% making progress in writing			80%	76%			
% making progress in maths			83%	75%			
3. Main barriers to educational achievements (for pupils eligible for PP, including high ability, in school and out of school)							
A.	Social and emotional needs/ Challenging behaviour-a significant minority of pupils demonstrate challenging behaviour and need to have additional support from our Pastoral team. A number of pupils have issues with anger and with regulating their emotions.						
B.	Attendance and punctuality-our data demonstrates a clear link between attainment and attendance. Persistent absence is a challenge for our pastoral team as is lateness. We have a number of families who are regularly late and who take time off during the school term.						
C.	Social Deprivation- indicators place the school in the highest quintile nationally. Due to a range of social and economic pressures a large number of children miss out on opportunities for educational enrichment outside school. We have a number of families who are supported by Children's Social Care and families who need help from the school in order to support their children's learning.						
D.	Diversity-63% of our pupils speak English as an additional language and at least one quarter of the children start in the nursery provision with little or no knowledge of English. Our children need to have targeted support in order to catch up with their peers.						
E.	SEND/EAL- 24% of our pupils have recognised special educational needs. This is well above the national average. Our inclusion team support a wide range of needs both for pupils with Education and healthcare plans and for those who require additional support. We have a high number of children with ASD and who present with social and emotional needs.						

4. How the impact will be measured

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Raised attainment and accelerated progress in all year groups: <ul style="list-style-type: none">▪ Fundamentals checks each half term▪ Reading records kept by staff who do daily interventions▪ Lesson observations▪ Book looks▪ Provision meetings▪ Peer observations	<ul style="list-style-type: none">• Pupils eligible for the pupil premium grant achieve in line with their peers nationally• The progress of all pupils eligible for the pupil premium grant is good or better• No significant gaps are discernible between disadvantaged and non-disadvantaged pupils and where there are gaps, they are closing rapidly
