

Curriculum Overview: Music

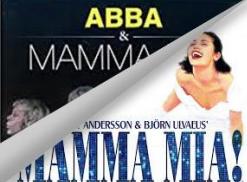

Music at Morningside

"Music gives a soul to the universe, wings to the mind, flight to the imagination and life to everything." Plato

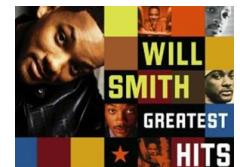

Our music curriculum aims to build skills and excitement to help children strive for excellence. We use the Charanga scheme. All children have the opportunity to listen to and appraise different types of music within each unit. In the Summer Term classes compete in the school Globovision contest where each class composes a song based on a different country.
