Happy Holidays

There has been lots of super learning going on at Morningside and at home this week. The children have learnt all about Hanukah and Christmas. The nativity songs and plays have been recorded and can be accessed on Google Classroom for years 1-6 and on the website for Early Years (all families have been sent a link/password.) There has also been lots of super spelling (see below) with an amazing 380 children taking part in our Autumn term Spelling Bee competition.

Text

Christmas lunch on Tuesday was delicious. Many thanks to Ben and the catering team. The children loved their crackers and the festive music.

Hackney Council celebrated the switching on of the festive lights and menorahs with a special film this year due to COVID-19. The film features Morningside steel pan band and pupils from year 5 and the nursery. It is available to watch on lovehackney.uk and on the Council's social channels.

The children and staff have done amazingly as we have adapted so many of the things that we do and introduced many new rules and control measures to keep us all safe. Thank you to everyone in our school community for keeping our children safe and learning. I want to send you all my warmest wishes for some much-needed down-time over the holiday period and for better times (eventually) in 2021.

Please take care of yourselves and each other.

Best wishes, Janet

The Education (School Day and School Year) Regulations (1999) require all maintained schools to open for teaching for 190 days a year, offering 380 sessions. The above table sets out dates for 195 days. Pupils are to be released for a further 5 days for the purpose of teachers' staff development (INSET). These days can be taken as inset days or equivalent twilight sessions.

What's been happening in Morningside?

We have been very busy this half term in Nursery. We have been practicing our balancing skills outside Creating our Christmas decorations!

Play dough - creating play dough winter snowmen and Christmas scenes.

Coloured water - creating potions and practicing our pouring and filling skills.

In Year 1, we are learning how to use *Busy Paint* in ICT. We created text boxes, labelled animal body parts and practised our typing skills.

In Year 2, we used Now Press Play to learn more about the Christmas Story! We can't wait to write about it in our writing lesson.

In Year 4, we enjoyed biting into some breadsticks this week in Science to see which teeth they used. They learnt about the functions of the incisors, canines, premolars and molars.

In Year 6, we have been studying collage work by various artist like Hannah Hoch. We worked on background today using skills of contrast, layering, shade, tone and tint. We spoke about how art is subjective and can be interpreted differently by different people.

Children's Centre

We have been getting ready for Christmas in the Centre.

The children who stay all day enjoyed their lunch.

We are also dressing up.

We have also really enjoyed Storytime and acting the story for each other.
