Can you write your name? Let's practise our names with an adult. Don't forget to only use a capital letter at the beginning!

This week we will be talking about our dream holiday! This means a holiday we would love to go on more than anything! Because it is a dream holiday, it can be anywhere. It doesn't have to be another country, it can be another planet or a place you read about in stories. Think about where you would go and draw a picture of it. You can even draw it inside a thought bubble to show that it is a DREAM holiday! Tell an adult to write down where it is and what it has there!

This video will show how to pronounce the first sounds in words. This will help to support your child to read and spell successfully. Watch from 1:47!

What number can you count to? Let's count as high as we can! Don't forget to start at 0. How many stairs do you walk up and down? How many people in your house? How many cars can you count on the road? Let's count everything we can!

Think about what you would take on your dream holiday. Is it somewhere hot? Is it very cold? Is it very wet or dry? Gather what you will need and put it all in a bag ready for your adventure. Don't forget to pack food and water! Take a picture of what you are going to take and show us on our schools Instagram page!

Can you put on your own coat and shoes? Let's practise being grown up and independent by doing these things with as little help as possible. Don't forget the coat trick!

How would you get to this dream holiday? Will it be by plane? By boat? By car? Or even by magic carpet! Draw a picture or make a model of the transport you will use to get to your holiday destination!

When you eat your breakfast, lunch or dinner, can you use a knife and fork all on your own? Show your family how grown up you are by eating independently. Help out your grown ups by taking your plate into the kitchen. How else can you help your grown ups at home?

Tomorrow will be our last Zoom meeting as a class. Let's all write a special message or draw a special picture to share with our friends.

What is your favourite book? Today, make sure you sit down with a grown up or sibling and read your favourite book or books. Talk about what you see in the pictures. Do you recognise any sounds or words? Who is the book by? What can you see on the front cover? Reading and books are so important and it's so lovely to share one with someone you love.

As our last activity of the school year, let's make a dream jar! In the story *The BFG*, the giant collects dreams to give to little children so they can have amazing and exciting dreams. He keeps the dreams safe in a jar. Can you decorate your own? Use any plastic or glass container and decorate it. You can fill it with lights, a candle, even water and glitter! And you can decorate the outside with stickers or paint. This is your special dream jar where all of your favourite dreams can be kept safe.
