

# Nursery Daily activities 6.7.20

**Weekly Theme:** Water, water everywhere!

**Morningside Primary School**  
and Children's Centre  
Achieving and Aspiring Together

Monday	<p>Watch Story Time video <a href="https://morningside.hackney.sch.uk/children/year-groups/year-group-template/nursery-story-time/">https://morningside.hackney.sch.uk/children/year-groups/year-group-template/nursery-story-time/</a></p> <p>Find objects that begin with the first sound in your name. Mine would be: a <b>p</b>ineapple, a <b>p</b>ink <b>p</b>ig, a <b>p</b>arrot, a <b>p</b>an, a <b>p</b>epper, a <b>p</b>acket of <b>p</b>asta!</p> <p>This week we will be learning about water. Where does water come from? Talk about it with your family and think of all the places you might find water.</p> <p>This video will show how to pronounce the first sounds in words. This will help to support your child to read and spell successfully. Watch from 1:47! <a href="https://www.youtube.com/watch?v=lwJx1NSineE">https://www.youtube.com/watch?v=lwJx1NSineE</a></p>
Tuesday	<p>Watch Story Time video <a href="https://morningside.hackney.sch.uk/children/year-groups/year-group-template/nursery-story-time/">https://morningside.hackney.sch.uk/children/year-groups/year-group-template/nursery-story-time/</a></p> <p>Adults: Find a tray and put a variety of objects on it that start with the same sound. For example, a <b>c</b>up, <b>c</b>ake, <b>c</b>arrot. Then add one object that starts with a different sound, for example, a <b>b</b>anana. Ask your child to find the odd one out!</p> <p>Decorate your own water droplet! Use any resources you have and get ready to show it off in our weekly Zoom meeting!</p>  <p><a href="https://www.youtube.com/watch?v=lwJx1NSineE">https://www.youtube.com/watch?v=lwJx1NSineE</a></p>
Wednesday	<p>Watch Story time video <a href="https://morningside.hackney.sch.uk/children/year-groups/year-group-template/nursery-story-time/">https://morningside.hackney.sch.uk/children/year-groups/year-group-template/nursery-story-time/</a></p> <p>Make up a funny sentence using your name! Mine would be: <b>P</b>retty <b>P</b>olly <b>p</b>icked up a <b>p</b>ricky <b>p</b>ear and it <b>p</b>oked her on the <b>p</b>alm of her hand!</p> <p>Let's think about the largest amount of water in the world... The ocean. The ocean covers most of our planet, it is <b>HUGE</b>! Can you think of anything that lives in the ocean? Write a list of all the things you can think of. I wonder if we can all think of different things to share with each other in our Zoom meeting!</p> <p><a href="https://www.youtube.com/watch?v=lwJx1NSineE">https://www.youtube.com/watch?v=lwJx1NSineE</a></p>

**Thursday**

Watch Story time video

<https://morningside.hackney.sch.uk/children/year-groups/year-group-template/nursery-story-time/>

Choose something from your list of things that live in the ocean and draw or paint a picture of it! You can collage it with recycled materials, use boxes and tubes or make it out of modelling clay or dough! I can't wait to see your creations.

When you have made your creation, give it a funny name using the first sound. For example, a **f**unny **f**uzzy **f**izzy **f**ish, or a **s**pikey **s**illy **s**potty **s**tarfish!

**Friday**

Watch story time video

<https://morningside.hackney.sch.uk/children/year-groups/year-group-template/nursery-story-time/>

Have fun in the bath using lots of different pouring and filling containers. Pretend to be a mermaid or merman in the water. Add some food colouring to some water in a bowl or tray and add sea creatures to it. Go outside and splash in puddles! Put some objects such as plastic toys or flowers in water inside a container then put it in the freezer. Talk about what happens when water freezes and watch as the ice melts! Water is everywhere and it can be lots of fun to explore too! Take pictures of what you get up to and share them with us.
