Morningside Primary School and Children's Centre Newsletter

恭禧發財 Gong Hey Fat Choy

There has been lots of super learning going on at home and at Morningside during the whole of this half term. We are incredibly proud of our dedicated staff who have worked so hard to deliver remote learning and to support the small number of children who are in school. I hope that you all received my letter yesterday thanking you for your continuing support. We have been delighted to have such excellent attendance at remote learning sessions and this would not be possible without your help.

This week we are celebrating Chinese New Year. The children have been very creative as you can see from the photographs. We have all taken part in a special dance workshop. There was a dragon making competition (congratulations to Shaydon in year 3 who was the winner) and at school the catering team made a delicious Chinese meal for everyone. In true Morningside fashion everyone was included in our celebration of the year of the Ox and this was a great way to end the half term.

I hope that you will have a lovely half term. We have asked the children to try hard to take exercise, read lots, stay away from the screens, have a break from school work and enjoy themselves with their family.

We are very much hoping to welcome all of the children back to school soon. As soon as I have more information I will text and email it to all families.

In the meantime please take care of yourselves and each other.

Happy New Year to everyone in our community who is celebrating this at home.

Best wishes

Janet Taylor
