Morningside Primary School and Children's Centre Newsletter

Transition Time

In July we do lots of transition work at Morningside. Our Year 6 children have been taking part in workshops to prepare them for their new settings. We have met the new children who will start in Nursery and Reception in September at our "Welcome" meetings this week. The children have seen their new classroom and parents and carers have been given lots of information and the chance to ask questions. Children who are already at Nursery here have been to their new class to play and to meet the adults there so that it will be familiar in the new academic year. If you were not able to make the meeting please call us with any questions that you have.

Children in years 1-5 have a Transition Morning on July 16th. They will be meeting their new teacher and spending the morning in their new classroom creating some beautiful artwork that will be displayed ready for the new start after the summer break.

In the picture above you can see our "Green Influencers" group. These children have worked with Hannah from EcoActive to completely transform an area of the back playground from an old bench to a beautiful space where children can relax at break and insects will thrive.

Next week we will host the Spelling Bee heats. Please look out for the letter with the words to learn on the back. The finals are at the end of term. We are also getting end of year assemblies ready so that each class can showcase their fantastic work.

Some year groups have started to go on local trips. This week year 4 visited the Hackney School of Food and learnt all about how to cook a delicious pizza from scratch. Year 6 had a knife crime awareness workshop that was run by the Ben Kinsella Trust. We are hoping to run residential visits again in the autumn and will keep you posted as restrictions lift and our risk assessments are updated.

Wishing you all a safe and happy weekend Janet Taylor

Inset Days

Children's Centre

In Rainbow Nursery, we have been doing so many fun things and learning so many new things.

- We have made real biscuits from a Nigerian recipe.
- We have made pretend biscuits in the mud kitchen.
- We have found missing toys in the ice.
- We have really enjoyed our story book, Baby Goes to Market.
- We have helped each other to balance outside.
- We have done an exciting project with ArtBurst and we even managed to go Singing in the Rain!

What's been happening in the Morningside community?

In Nursery, we have been having lots of fun, exploring new sounds, pirates and our summer topics. Nursery were very excited to get our Bug Hotel and we can't wait to see what insects move in! We have been working on our fine motor skills too.

This week in Design & Technology, Reception have been exploring materials and tools to create costumes for the soft toys in our class. The children decided to make costumes for each other. They worked together using some wonderful instructional language, check out our designs.

This week in Year 4 we have been practising and expanding our computing skills by making eye-catching and informative graphs and charts.

For our art unit sculpture, Year 5 looked at two artists: Bernard Palissy and Magdalene Odundo. We created a decorative bowl in the style of Palissy and fettled the base to give it a better shape. We then created a vase (using a double pinch pot and coiled neck technique) in the style of Odundo. We decorated these with a glaze to reflect the colours the artists would use.

Year 6 went to the Ben Kinsella workshop in Islington. The knife crime prevention workshops taught our pupils about choices and consequences. They educated our Year 6s away from knife crime, showing them how they can make positive choices to stay safe.

Safeguarding Children

Information regarding Safeguarding & Child Protection at Morningside Primary School and Children Centre

Our prime responsibility as a school is to ensure that all children are safe.

Safeguarding can be defined as:

"The process of protecting children from abuse or neglect, preventing impairment of their health and development and ensuring they are growing up in circumstances consistent with the provision of safe and effective care that enables children to have optimum life chances and enter adulthood successfully."

School plays an important role here. For Morningside Primary School it means that we have procedures for the following:

- Child Protection
- Behaviour
- E-Safety
- Visits
- Incident Management
- Risk Assessment
- Allegation of Abuse
- Child Absconding
- Information Sharing
- Medical Needs
- Supervision

A copy of our Child Protection policy is available from the school office and the school website.

If you have a concern about a child's welfare, please report it to a member of staff immediately

Scan QR code to read Morningside's Safeguarding & Child Protection Policy

Key people and their responsibilities are as follows:

Sheena Khangura (Deputy Head)

- Lead Officer for Safeguarding and Child Protection (NCSA)
- Designated Lead for Looked After Children (LAC)
- Inclusion Leader

Janet Taylor (Headteacher)

Deputy Lead Officer for Safeguarding and Child Protection

Rachel Smith (Assistant Head)

E-Safety Officer

It is important to avoid any coaching of a child during a disclosure. Any early discussion with the child should, as far as possible, adhere to the following basic principles:

- A. Listen** to the child, rather than directly question him or her
- B. Never** stop a child who is freely recalling significant events
- C. Make a note** of the discussion, taking care to record the timing setting and personnel present as well as what was said

Report any concerns to a member of staff straight away – never delay to inform the relevant officer.

Information

If there is any other information that you would like please get in touch. We will get back to you as soon as possible.
