End of Year Celebrations (and special farewell edition for Year 6)

We have had a fantastic last few days here at Morningside. 180 children in Y3-5 took part in the rehearsals for the Hackney (virtual) Carnival that will take place in September. The dancing and drumming was fantastic!

Today we have had a lovely Leavers Assembly and said goodbye and good luck to year 6. Each class has had a meeting (either in person or virtually) with their new teacher. Classrooms have been tidied, books taken home and summer safety ideas shared. All of the staff are looking forward to a well-deserved break and we are also very much looking forward to a return to something close to normality in September.

Thank you to all parents and carers for their support for the children and the school in what has been a difficult year at times.

We will organise Meet the Teacher events early in the Autumn term so that parents can come in and see the learning environment and meet the staff.

We will be saying farewell to Rob Goldsbrough today as he moves to a school nearer to his home in south London. We wish him well and thank him for all of his hard work and support for our children over the last 5 years. Finally, I would like to thank everyone who has supported the children this year. They are fantastic, and it is up to us all as the important adults in their lives to make sure that they have the best possible chance for success and happiness.

Have a lovely summer break.

Take care, stay safe

Janet Taylor

MESSAGES TO YEAR 6

Morningside Primary School Class of 2021

This year has been extremely memorable for many reasons, most of which we could not have possibly anticipated! It is certainly one we will never forget; I'm so proud of you all for how you have tackled the challenge. Year 6 is a memorable year for any child. It's the year that you leave primary school behind and embark on a new journey, closing one chapter and beginning another. I feel incredibly privileged to have worked with such a wonderful group of young people and I know you will all continue to flourish. Secondary School will be full of new challenges and exciting memories - the world really is your oyster. There is no need to be nervous; you are all ready to take this next step and I wish you the very best of luck.

Mr Goldsbrough (Rob)

I can't believe how much you have all grown up over the last two years. It has been my absolute privilege to be your teacher. Every one of you should be so proud of all you have achieved during your time at Morningside Primary school. You have learned so many new skills including: how to play chess, swim, play the steel pans and even put on a fashion show! With you not taking SATs, people say you have not been tested this year. How very wrong they are. You have been tested like no other year 6 cohort and dealt with it remarkably! The resilience you have all shown makes me confident you are more ready than ever to start a new and exciting chapter of your lives. I can't wait to see what success the future brings for you. Thank you all for the memories. Good luck.

Safeguarding Children

Information regarding Safeguarding & Child Protection at Morningside Primary School and Children Centre

Our prime responsibility as a school is to ensure that all children are safe.

Safeguarding can be defined as:

"The process of protecting children from abuse or neglect, preventing impairment of their health and development and ensuring they are growing up in circumstances consistent with the provision of safe and effective care that enables children to have optimum life chances and enter adulthood successfully."

School plays an important role here. For Morningside Primary School it means that we have procedures for the following:

- Child Protection
- Behaviour
- E-Safety
- Visits
- Incident Management
- Risk Assessment
- Allegation of Abuse
- Child Absconding
- Information Sharing
- Medical Needs
- Supervision

A copy of our Child Protection policy is available from the school office and the school website.

If you have a concern about a child's welfare, please report it to a member of staff immediately

Scan QR code to read Morningside's Safeguarding & Child Protection Policy

Key people and their responsibilities are as follows:

Sheena Khangura (Deputy Head)

- Lead Officer for Safeguarding and Child Protection (NCSA)
- Designated Lead for Looked After Children (LAC)
- Inclusion Leader

Janet Taylor (Headteacher)

Deputy Lead Officer for Safeguarding and Child Protection

Rachel Smith (Assistant Head)

E-Safety Officer

It is important to avoid any coaching of a child during a disclosure. Any early discussion with the child should, as far as possible, adhere to the following basic principles:

- A. Listen** to the child, rather than directly question him or her
- B. Never** stop a child who is freely recalling significant events
- C. Make a note** of the discussion, taking care to record the timing setting and personnel present as well as what was said

Report any concerns to a member of staff straight away – never delay to inform the relevant officer.

Information

If there is any other information that you would like please get in touch. We will get back to you as soon as possible.
