

Thursday 23rd November 2023

Dear parents/carers,

On Wednesday 29th November, all year 4 children will be going on a trip to Leaside. They will take part in two workshops. The workshops will be delivered by ecoACTIVE and Leaside instructors, and they follow the theme of "Wild Cities." This will involve the children exploring habitats, wildlife and local species, as well as canoeing on the river and spotting species along the way.

We will be leaving school at approximately 9:15 am and returning before the end of the day. Children will be provided with a packed lunch, or they are welcome to bring their own packed lunch if they would rather.

As the children will be canoeing, please can all children bring a waterproof coat and waterproof trousers (if you have them). All children should wear school uniforms to school, but they may bring a change of clothes in case they get slightly wet.

Many thanks,

Charis Hanna and Hannah Fenwick (Year 4 teachers)
