

RE:SET

Parents and Carers Sessions on Relationships Education

Morningside is working with Tender Education and Arts this academic year to become a Healthy Relationships Champion School!

RESET is their Healthy Relationships programme, and they are supporting us to deliver relationship education sessions throughout the school. They will also be supporting families in how to talk to children about healthy relationships.

Please join us online for a parent and carer information session:

Healthy Relationships Online

18th October 2024, 12:30-13:30

Session Aims:

- Develop a good understanding of the risks and potential online harm to young people.
- Develop further skills for how to support children when using online technology.
- Identify, locate and name sources of support for parents, carers and young people.

These sessions will take place online. Please sign up at the link below: [Healthy Online Relationships Information for Families at Morningside Tickets, Fri, Oct 18, 2024 at 12:30 PM | Eventbrite](#)
